the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available. * Indicates prerequisites—see catalog for more information.

** Recommended by department. *** While MATH 1332, 1342 and 1342 will fulfill core math requirements, they will NOT prepare students for math beyond such as Plane Trigonometry (MATH 1316), Pre-Calculus (MATH 2412), etc. **** Or an equivalent course (second year, second semester) in French or German.

***** Course numbers vary depending on lesson or ensemble taken.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of 80 semester hours in music (MUSI, MUEN, MUAP, MUMI) can be counted toward a degree.

NOTE: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan by using the online <u>Degree Plan Request</u> form. The dean's office of the Sybil B. Harrington College of Fine Arts and Humanities, located in Mary Moody Northen Hall, Room 181 (or call 806-651-2782), can answer questions about the degree plan. Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.
