Academic Excellence/Academic Freedom Scholarship was established in 2001 to provide scholarships for academically talented students who will recognize and support academic freedom. Preference to graduates of high schools in Region 16. Recipient must be enrolled full time (12 hours per semester) and maintain a 3.5 GPA overall for the year. The scholarship is renewable as long as recipient maintains eligible requirements. Application must be accompanied by written recommendations from two educators acquainted with the student.

Salem and Ruth Ann Abraham Endowed Scholarship Fund was established by Salem and Ruth Ann Abraham. Recipient must be a graduate of Canadian High School, enrolled full time (12 hours per semester), maintain a 2.5 GPA, demonstrate financial need, and have a determination to achieve a college degree.

Altmiller Scholarship, established in memory of Mr. and Mrs. C. Ray Altmiller. Recipient must be a graduate from a high school in Hemphill, Ochiltree or Lipscomb counties; must be an entering freshman with a high school 3.0 ("B") GPA; and must write a short statement of no less than 50 words explaining why the scholarship is important to him or her.

C. Ray and Rachael Altmiller Scholarship Fund was established by Russell Altmiller to honor the memory of his parents, Ray and Rachael Altmiller. Recipient must be a graduate from a high school in Hemphill, Ochiltree or Lipscomb counties; must be an entering freshman with a high school 3.0 ("B") GPA or better; and must write a short statement of not less than 50 words explaining why the scholarship is important to him or her.

Amarillo Coca-Cola Bottling Co. Inc. was the first corporate entity to give a substantial gift to the WTAMU Foundation Endowment for Excellence. Monies from this endowment are used for scholarships for outstanding students.

Financial Aid and Scholarships

Amarillo Hispanic Chamber of Commerce Scholarship was established to promote Hispanic business development and quality of life. The recipient must be a first-generation returning student from Potter or Randall counties, business major with a record of community involvement, and plans of living in Potter or Randall county.

Josephine Anderson Leadership Scholarship was established in 1996 to provide scholarships for high school graduates from the northernmost 26 counties of the Texas Panhandle. Selection of the recipient is competitive with minimum 85 GPA, class rank and ACT/SAT scores considered, and demonstration of leadership required. The scholarship is renewable when criteria are met.

Bill and Frances Askew Leadership Scholarship, established in 1993 by gifts from family and friends of Mr. and Mrs. Askew, is awarded to freshmen from high schools in the northernmost 26 counties of the Texas Panhandle. Selection of the recipient is competitive with minimum 85 GPA, class rank and ACT/SAT scores considered, and demonstration of leadership required. The scholarship is renewable when criteria are met.

Joseph and Rhoanna (Griego) Austin Scholarship was established by Joseph (Joe) and Rhoanna (Rho) who met and graduated from WTAMU. They have an appreciation for the individual attention and encouragement provided by their professors, as well as the overall "caring" environment that WTAMU provides. The Austins believe in the importance of a quality education in ensuring a high quality of life and want to help provide the opportunity to others. The recipient must be an incoming freshman majoring in information and decision management or nursing, enrolled full time and have a B+ average (85 or higher) or 3.25 GPA. The scholarship is renewable if criteria are met.

Clifford Boyd and Linda Kay Baker Scholarship was established by the Panhandle-Plains Student Finance Corporation in honor of Clifford Baker, who serves as chairman of the board. Baker's commitment to providing financial aid to college students goes back to 1966 when he became associate director of financial aid at WTAMU. He became director in 1970 and continued to arrange financial aid for students in need. Selection criteria will be based on financial need, service and leadership roles in high school and/or college, and not solely based on academic achievement but could accompany service and leadership roles if appropriate.

Bank of America Employees' Honorary Scholarship Fund was established in 1996 to provide book, tuition and all related fees for children of Bank of America full-time employees to attend WTAMU. Recipients must be full-time students, carrying a minimum of 12 hours per semester and maintain a 2.0 GPA. Other criteria include financial need, leadership, work ethic, ACT or SAT scores, and high school grade point average. The scholarship is renewable when criteria are met.

Nona Barnett Leadership Scholarship was established to provide scholarships to freshmen from high schools in the northernmost 26 counties of the Texas Panhandle. The scholarship is awarded on a competitive basis with minimum 85 grade average, class rank and ACT/SAT scores considered, and demonstration of leadership required. The scholarship is renewable not to exceed eight semesters per recipient with minimum 2.50 GPA and 12 hours per semester.

Leona M. Barrick Leadership Scholarship is awarded to entering freshmen from high schools in the northernmost 26 counties of the Texas Panhandle. Recipients are determined by their class rank with a minimum 85 grade average, ACT/SAT scores and demonstration of leadership abilities considered. The scholarship is renewable if the student maintains a minimum 2.5 GPA with a minimum course load of 12 hours per semester.

W.N. Barrick Leadership Scholarship is awarded to entering freshmen from high schools in the northernmost 26 counties of the Texas Panhandle. Recipients are determined by their class ranking with a minimum 85 grade average, ACT/SAT scores and demonstration of leadership abilities. The scholarship is renewable if the student maintains a minimum 2.5 GPA with a course load of 12 hours minimum per semester.

Betty Teel Bivins Leadership Scholarship was established in 1994 by friends and family of Bivins to honor her on Mother's Day and to provide

scholarships to freshmen from high schools in the northernmost 26 counties of the Texas Panhandle.

M.K. Brown Foundation Leadership Scholarship, established in 1994, provides scholarships, preferably to graduates from Pampa High School or transfer students from Clarendon College, Pampa Center. Recipients must have a minimum 85 grade average or 3.0 GPA, with class rank, ACT/SAT scores and demonstration of leadership qualities.

Brumley Leadership Scholarship, established in 1993, is an annual scholarship given to students transferring to WTAMU with approximately 60 hours of which a minimum of 30 hours are from Amarillo College. Recipient must have a 3.0 GPA and demonstrate leadership qualities. Special attention to students receiving financial assistance at Amarillo College.

Mary Alice Burnett Leadership Scholarship was established in 1997 to provide scholarships for high school seniors, preferably graduates of Dumas High School, with a minimum 85 GPA; class rank and ACT/SAT scores will be considered; and demonstration of leadership is required. Scholarships are renewable when criteria are met.

Jack Burnett-Brumley Scholarship is awarded to entering freshmen, preferably a graduate of Dumas High School, with selection of the recipient competitive with minimum 85 GPA, class rank and ACT/SAT scores considered, and demonstration of leadership required. This scholarship is awarded annually and is renewable.

Cabot Corporation Leadership Scholarship was established in 1996 to provide scholarships to high school graduates from Pampa. Selection of the recipient is made on a competitive basis with minimum 85 GPA required, class rank and ACT/SAT scores considered; demonstration of leadership is required. The scholarship is renewable if criteria are met.

Canyon Rotary Club Scholarship provides scholarships for graduates (current or prior year) from a Canyon Independent School District high school. The student must be enrolled full time (12 or more hours each semester) and maintain a cumulative 3.0 GPA.

Gary Lynn Castleman Memorial Scholarship was established to provide a \$100 to \$200 scholarship to a Canyon High School graduate who has attended WTAMU for one semester.

Addie Brown Childress and Robert F. Childress Memorial Scholarship was established by family and friends of the Childresses in 1993. This scholarship is available to worthy, deserving students enrolled at WTAMU. Financial need is a primary consideration.

Levi W. Cole Leadership Scholarship was established to provide scholarship opportunities to deserving graduates of Canyon High School who are enrolled full time (12 hours per semester) and exhibit leadership qualities. The scholarship is renewable when criteria are met.

Harold and Joyce Courson Leadership Scholarship was established in 1994 to provide scholarships for high school graduates. Preference for high school graduates from Peryton, Texas. Selection of the recipient is competitive with minimum 85 GPA, class rank and ACT/SAT scores considered and demonstration of leadership required. The scholarship is renewable when criteria are met.

J.W. "Cap" Daniels Memorial Scholarship was established in 1985 by the family of Daniels to provide annual scholarships to full-time sophomore and/or junior students with 3.0 GPA.

C.J. "Red" Davidson Scholarship was established by the Davidson Family Charitable Foundation of Fort Worth, Texas. It provides funds to award scholarships annually to deserving and capable full-time undergraduate Texas students who have never married; must have a 3.0 GPA; grades, character and need will be considered.

M.S. and Meek Lane Doss Endowed Opportunity Award Scholarship was established in 2002 by the M.S. Doss Foundation Inc. to provide scholarships to undergraduate students at WTAMU with financial need, with a preference for students who are graduates of high schools located in western Texas anywhere west of a line drawn between Wichita Falls, Texas, to Laredo, Texas, or a high school located in southeastern New Mexico. Students pursuing an undergraduate degree from any school or department in the University are eligible.

Financial Aid and Scholarships

Duncan & Boyd Scholarship provides scholarships for Duncan & Boyd employees. Recipient must maintain a 2.0 GPA.

Foundation Leadership WTAMU Scholarship provides scholarships to encourage and enable high school seniors upon graduation to enroll and continue their education at WTAMU. Recipients must be freshmen WTAMU students from high schools in northernmost 26 counties of the Texas Panhandle. Competitive basis with minimum 85 grade average; class rank and ACT/SAT scores considered; demonstration of leadership required; renewable not to exceed eight semesters per recipient with minimum 2.5 GPA and 12 hours per semester.

James B. and Yvonne J. Franklin Endowed Scholarship Fund was established by the Franklins for students from the Texas Panhandle-Plains area who need financial assistance; grade point average is secondary to need.

Clyde M. Gassaway Memorial Scholarship was established to provide scholarships for graduates of Borger High School who are attending WTAMU, enrolled full time (12 semester hours) and who have a 3.0 GPA.

Greater Texas Foundation-Los Barrios de Amarillo-Removing Educational Barriers Scholarship was established by Los Barrios de Amarillo, a civic organization in Amarillo, Texas, in partnership with Greater Texas Foundation. Membership of Los Barrios, composed of professional business men and women, have focused on encouraging youth to further their education beyond high school in order to secure their financial success and opportunities. Recipient must be an incoming freshman, enrolled 12 hours per semester, have attended the Step Up to Success Leadership Conference and have a 3.0 GPA.

Judge Garland Green Memorial Scholarship was established in 2002 by the children of Green (1920–2001), who served as county judge of Hartley County for 28 years, 1950–1978, and was never opposed for reelection. He also served as ex-officio superintendent of schools for the county and was heavily involved with the county education process. Upon his death in December 2001, his family decided that a scholarship in his name would be the best way to perpetuate the memory of Green and his good works by assisting selected students with the financial burdens of college education. The student must be a graduating high school senior from either Channing or Hartley High Schools; be enrolled full time (12 semester hours or more); scholastic standing and financial need will be considered. The student must also submit a research paper of not less than 500 words on the life of Green.

Cindy Groomer Scholarship Fund was established by friends and family in honor of Groomer. Recipients will be any student in need of financial assistance to further his or her education.

Don and Sybil Harrington Honor Scholarship was created by gifts from the Don and Sybil B. Harrington Foundation. Recipients must be entering freshmen, transfer or continuing students. Freshman students must have a minimum 24 ACT or comparable SAT. Transfer and continuing students must have a minimum 3.25 GPA. This scholarship is renewable when criteria are met.

Jacob and Frances Huber Endowed Scholarship was established in 2007 by the Hubers. Jacob served in WW II and returned to West Texas State College to complete his undergraduate and M.B.A. degrees in accounting. The Hubers wanted to give back to the University which prepared them and to the area and its students who have financial need. Recipient must demonstrate financial need, enroll full time and maintain a 2.6 GPA. The scholarship is renewable if criteria are met.

J.A. Hill Memorial Leadership Scholarship is an annual scholarship awarded to entering freshmen from high schools in the northernmost 26 counties of the Texas Panhandle. Recipients must have a minimum 85 grade average, demonstrate leadership abilities, with class rank and ACT/SAT scores considered. Recipient will serve as chapel liaison and host. This scholarship is renewable provided recipient maintains a minimum 2.5 GPA and carries a minimum course load of 12 hours per semester.

Charles and Wanda Hoover Scholarship was established by gifts from Charles and Wanda Hoover to provide scholarships for outstanding students; National Merit recognized, President's Honor Scholars,

WTAMU Student Foundation Honor Scholars or Don and Sybil Harrington Honor Students; and financial need will be considered.

Preference is given to students who are initiated members of Gamma Sigma Chapter, Kappa Alpha Order, and/or members of their families. Applicants must have completed at least one regular semester at WTAMU, be continuously enrolled as a full-time student and maintain at least a cumulative 2.0 GPA.

President's Community Service Award Recipients Scholarship was established in 1999 to honor President's Community Service Award recipients and to provide scholarships for worthy WTAMU students. Recipients must be currently enrolled in a minimum of six semester hours and maintain a 2.5 GPA. Sustained community service endeavors that benefit the region will be the primary criteria.

Scholarship for Single Parent was established in 2003 by Daniel and Myrna Raffkind to assist single parents in reaching their educational goals. Recipient must be a full-time student (12 semester hours) and maintain a cumulative 2.5 GPA. Financial need will be considered.

Mike Stephens ATO Scholarship was established by Glen Parkey and friends of Mike Stephens. Members of the Zeta Kappa Chapter of Alpha Tau Omega Fraternity shall be eligible for scholarship awards.

Student Government Endowment Scholarship—Internship was established in 1998 to provide internships to WTAMU students. Recipients must be full-time (12 hours undergraduate; six hours graduate) students and maintain a 2.25 GPA. Students must submit a one-page essay describing the internship in which they are applying for, submit one recommendation letter from faculty adviser sponsoring internship and list other scholarships received for the year.

Student Government Endowment Scholarship—Leadership was established in 1998 to provide scholarships to WTAMU students involved in campus organizations. Recipients must be full-time (12 hours undergraduate; six hours graduate) students and maintain a 2.5 GPA. Also, they must list leadership roles in campus organizations, all extracurricular involvements and other scholarships received for the year.

Student Government Endowment Scholarship—Need Based was established in 1998 to provide scholarships to WTAMU students based on financial need.

Student Government Endowment Scholarship—Scholastic was established in 1998 to provide scholarships to WTAMU students based on scholastic achievement. Recipients must be full-time (12 hours undergraduate; six hours graduate) students and maintain a 3.0 GPA. Also, the student must list extracurricular activities and other scholarships received for the year.

Student Memorial Endowed Scholarship was established in 1997 to provide scholarships in the names of deceased WTAMU students. Recipients must be undergraduate students of at least sophomore standing, maintain a cumulative 2.5 GPA with full-time enrollment status (12 hours per semester), be in good standing with the University and be involved in campus activities.

Students Assisting "N" Good Endeavors Community Service Scholarship was established by WTAMU student members of SAGE to recognize and reward an incoming freshman for their community involvement, leadership and extracurricular activities. Recipient must be an entering freshman in the fall semester and have a 3.0 GPA. Additionally, they must be involved in their community, have leadership qualities and participate in extracurricular activities. Applicant must submit one letter of recommendation and a one-page typed essay describing community service activities that they have participated in and how the activities have impacted their life. Send via email attachments to scholarship@wtamu.edu.

Texas Zeta Chapter of Alpha Chi National Honor Society offers several small scholarships based on available funds. Scholarship recipients must be juniors or seniors who are members of Alpha Chi.

Charles and Mary Townsend Scholarship was established in 1992 to honor Dr. and Mrs. Townsend and their love of the Chi Omega. Scholarship recipients must be an officer in the sorority exhibiting both scholarship and leadership.

Women's Council for WTAMU Beckley Student Emergency Assistance Fund was established by the Women's Council for WTAMU to assist WTAMU students who are in need of emergency assistance or who find themselves in desperate financial circumstances.

WTAMU Rodeo Scholarship was established in 1994 to provide scholarships to students demonstrating outstanding performance and leadership in the Southwest Region. The student must remain eligible by NIRA standards.

Zeta Tau Alpha Academic Achievement Endowment Fund was established in 1991 by Linda Elliott and members of Zeta Tau Alpha to reward academic achievement of active members of the sorority having a minimum grade point average equal to or greater than the all-University grade point average.

Financial Aid and Scholarships

Scholarships Administered by the WTAMU Alumni Association

Richard Anderson Bowling Scholarship was established by Anderson's family and friends upon his death in October 2003. Anderson attended the University and participated on the bowling team, continuing his involvement with the team even as a former student. The scholarship is awarded to a current member of the University Bowling Team who has completed at least 30 hours and is in good academic standing with the University. Preference will be given to male students who are originally from outside the state of Texas.

Susan Babcock Harp Leadership Scholarship and Ring Award was established by Harp's family and friends, as well as the WTAMU Alumni Association, upon her death in November 1998. Harp was a 1995 graduate of WTAMU and a former student body president. She also served as treasurer of the board of directors of the WTAMU Alumni Association. The scholarship and ring award recognizes a current female student who has completed her sophomore year at WTAMU and embodies the qualities displayed by Harp, which include active membership and leadership roles in student organizations and activities, display of a strong commitment to WTAMU, and high character traits, including Christianity, loyalty, fairness in all dealings, dedication to duty and love of fellow humans.

Hicks Scholarship was established by Dr. Andy and Sue Ann Hicks in 1995. The scholarship honors the Hicks family and provides scholarships to undergraduate transfer students from a junior college. Preference to transfer students from Amarillo College, Frank Phillips College, Clarendon College, Howard College and South Plains College. Selection is based on academic achievement.

Bill and Peggy Pollart, JoLynn Grieser Memorial Scholarship was established in May 2000 by Penny Pollart in memory of her parents and sister. Recipients must have a 2.5 GPA and be a full-time (12 hours per semester) undergraduate student. Additionally, the student must exhibit leadership qualities and demonstrated involvement in student organizations and campus events and activities, exhibit exuberant enthusiasm and love for WTAMU, is a positive role model for students, and display strong moral values and Christian principles. It is the desire of the donor that the recipient become a member of the WTAMU Alumni Association upon graduation from the University and that a demonstrated level of giving back to the University be apparent.

Student Alumni Board General Scholarship was established to provide scholarship funds to a child of a WTAMU graduate. The recipient must have completed at least 60 hours and be currently enrolled, completed at least one semester at WTAMU, show campus involvement and Buffalo spirit, and have a 3.0 GPA.

Departmental Scholarships

College of Agriculture, Science and Engineering

Greater Texas Foundation—Phoebe and Chuck Hartline Removing Educational Barriers Scholarship was established by the Hartlines in partnership with the Greater Texas Foundation to promote the study of life sciences at WTAMU. Recipient must be a College of Agriculture, Science and Engineering major enrolled a minimum of 12 hours per semester. Preference will be given based on need.

Greater Texas Foundation—Wiley Hicks Jr. Memorial Removing Educational Barriers Scholarship was established by Mike and Gary Kuhlman in memory of their friend, Wiley Hicks Jr., in partnership with the Greater Texas Foundation. Recipient must be a College of Agriculture, Science and Engineering major enrolled a minimum of 12 hours per semester. Preference will be given based on need.

Department of Agricultural Sciences

Agriculture Development Fund was established to award scholarships and assist in research, travel, etc. within the Department of Agricultural Sciences.

Agriculture Education Leadership Scholarship was established by Jason Cantrell. Recipient must be an agriculture education major; preference to students from Hansford, Castro and Swisher counties.

Henry Bassett Agriculture Scholarship was established in 1998 by friends and family of Bassett to provide scholarships for full-time (12 semester hours) students in the Department of Agricultural Sciences. The student must maintain a minimum 2.5 GPA.

Greg Black Memorial Ag Scholarship was established in 2007 by Herschel and Ruth Black in honor of their son, Greg, who was a graduate of West Texas State University and area development manager for Deaf Smith Rural Electric. He was active in his community and civic activities as well as the First Baptist Church. Recipient must be a full-time student in the Department of Agricultural Sciences.

Roy Bryan Scholarship was established in 1994 to provide scholarships for worthy and deserving junior or senior agriculture students with a 3.0 GPA.

J.W. and Dorothy Clark Memorial Scholarship was established in 2003 by their son, Dr. James R. Clark, and his wife, Barbara, to provide scholarships to sophomore-senior students majoring in one of the areas in the Department of Agricultural Sciences. Students must have 2.5 GPA and a financial need.

Norman and Gladys Cleavinger Memorial Scholarship was established by friends and family of the Cleavingers to provide scholarships to declared junior or senior majoring in one of the fields of agriculture. Students must be involved in campus and community activities and have financial need.

Cole Agriculture Scholarship was established from an initial gift of Noel Andy Cole. Scholarship recipient must be a full-time student majoring in agriculture with a minimum 2.5 GPA. Financial need will be considered.

Cowboy Roundup USA Ranch Management Scholarship was established by Cowboy Roundup USA to support a student from a ranch family. Recipient must be a WTAMU ranch management student and been raised on a ranch.

Cowboy Roundup USA Ranch Management Scholarship II was established by Cowboy Roundup USA to support a student from a ranch family. Recipient must be a WTAMU ranch management student and been raised on a ranch.

Norman Crum Memorial Agriculture Fund, established in 1997 by family and friends of Crum, is designed to assist sophomore through senior full-time (12 hours or more per semester) students majoring in agriculture and maintaining an overall 3.0 GPA. Preference is given to descendants of Crum, graduates of Perryton High School and others qualified from the northernmost 26 counties of Texas.

Robert Devin Scholarship was established for students that have been a Randall County 4-H member. He/she must major in an area in the Department of Agricultural Sciences.

S.L. and Mildred Garrison Scholarship was established in 1994 to provide scholarships for worthy and deserving graduate students in agriculture with preference for dryland agriculture or feedlot management. The student must have a minimum 3.0 GPA.

Gladwin Gillispie Scholarship was established in 1993 by Gladwin and Lydia Gillispie through the WTAMU Alumni Association. Recipients must be worthy and deserving agriculture majors, freshmen must be in the top quarter of their graduating class and sophomore-senior students must have a 3.0 GPA. Financial need will be considered.

Bob Givens Memorial Agriculture Scholarship was established in 2000 by friends of Givens to provide scholarships to students majoring in agriculture. Criteria will include a minimum 2.75 GPA and activities.

Gene and Eleanor Glazener Endowed Leadership Scholarship in Agriculture was established from a gift of Eleanor Glazener in memory

Financial Aid and Scholarships

of her husband, Gene Glazener. Recipient must be majoring in an area of agriculture. (Preference given to a student majoring in agribusiness.) Recipient must be a full-time student (12 semester hours) and a sophomore, junior or senior in standing with a 2.5 GPA overall and 3.0 in their major.

Jimmie Green Scholarship was established in 1974 by former students and friends of Green, professor and head of the department of plant science, to provide an annual scholarship for an outstanding plant science student. Based on scholarship, leadership and/or need.

Spicer Gripp Memorial Scholarship was established by the Spicer Gripp Foundation for an agriculture major with a minimum 2.75 GPA. Student must be active in campus extracurricular activities.

Ralph Harbin Memorial Scholarship was established to honor Harbin who taught animal science courses from 1954–80. This scholarship will be awarded to a junior or senior agricultural major; academic excellence, campus leadership and extracurricular activities, and financial need will be considered.

Houston Livestock Show and Rodeo Scholarships were established in 1980 for students working toward a degree in some phase of agriculture. These scholarships are based on academic excellence.

Douglas Josserand Memorial Scholarship was established in 1991 by the family of Josserand and is awarded to junior, senior or graduate agribusiness major. Recipient must have completed two regular semesters at WTAMU and maintain a 3.0 GPA.

C.M. and Herbert Kuhlman Beef Cattle Production Scholarship was established by the Kuhlman family. Recipient must be a sophomore, junior or senior pursuing a bachelor's degree in animal science. Student must have a minimum 3.0 GPA. Preference will be given to students who show interest in pursuing a career in beef cattle production.

C.M. Kuhlman Memorial Provost's Leadership Scholarship was established in 1996 to honor the memory of Kuhlman and to provide scholarship to WTAMU students in agriculture. Recipient must be an agricultural sciences major with an interest in production agriculture. Additionally, the student must be enrolled a minimum of 15 hours per semester or complete a minimum 30 semester hours per year and maintain a 3.0 GPA. Preference will be given based on leadership and service to the University; renewable when criteria are met.

Greg and Denise Mills Memorial Scholarship was established by Cactus Feeders Inc. to provide an annual award to a full-time sophomore, junior or senior student majoring in agriculture and/or education with a 2.5 GPA. Priority is given to families of employees of Cactus Feeders Inc. and to graduates of Dumas High School.

Panhandle Livestock Association Ben McIntyre Scholarship was established to provide scholarships for worthy and deserving junior, senior and graduate students pursuing studies in Agriculture with a minimum cumulative 3.0 GPA; recipient is expected to attend PLA meeting.

Panhandle Livestock Association Frederic C. Schmidt Scholarship was established to provide scholarships for worthy and deserving junior, senior and graduate students pursuing studies in Agriculture with a minimum cumulative 3.0 GPA; the recipient is expected to attend PLA meeting.

Panhandle-Plains Land Bank Scholarship was established to offer awards for agriculture students from each of the four land bank territories. Panhandle-Plains Land Bank employs a number of WTAMU graduates and is committed to supporting the Texas Panhandle's University. Recipient must be an agricultural sciences major and graduate from a high school in one of the four territories of the Land Bank. Territories include Pampa (Gray, Roberts, Hutchinson, Hemphill counties), Amarillo (Potter, Randall, Oldham, Carson, Armstrong counties), Perryton (Hansford, Ochiltree, Lipscomb counties) and Plainview (Hale, Briscoe, Floyd, Motley, Hall counties). Preference will be given to seniors, then juniors, then sophomores.

Bill Piehl Agriculture Scholarship was established by Plug Piehl and Puff Piehl Niegos in memory of their father, Bill Piehl. Recipient must be a student majoring in agriculture.

John S. Plank Agricultural Scholarship, established in 1979 by the family of Plank in his memory, is awarded to an agriculture major of at least junior standing. Financial need and scholastic ability are considered.

Rachel Quest Memorial Scholarship was established by family and friends in loving memory of Quest, 2004 WTAMU graduate. Quest completed a degree in equine industry and business and was a successful member of the WTAMU Equestrian and Judging Teams. Recipient must be an active, eligible and second-semester or higher member of the WTAMU Equestrian Team or Horse Judging Team; and must have a 2.0 GPA or higher. Preference shall be given to an Equestrian Team member.

Bradley Jay Rickwartz Memorial Scholarship was established by his parents and friends to be awarded to a junior or senior plant science major. The recipient will be from a farm family and demonstrate academic excellence, financial need and leadership activities.

Dr. Bob and Cleo Robinson Scholarship was established by Dr. Bob and Cleo Robinson to assist county extension agents from the Texas Cooperative Extension's North Region (Districts 1, 2 and 3) pursuing a master's degree in agriculture.

Rural Electric Cooperative Scholarship Fund was established by 11 rural electric cooperatives. Income from the fund provides scholarships for Department of Agricultural Sciences and College of Business students. Selected solely on the basis of merit.

Smallwood Leadership Scholarship was established in 1978 by the Agriculture Development Association as a tribute to Charles M. Smallwood and his 20 years of outstanding service to WTAMU and Texas agriculture. The scholarship will be awarded to students with at least a 2.5 GPA with outstanding leadership activities.

"Cotton John" Smith Scholarships are awarded to agricultural majors with outstanding scholastic ability.

Southwest Meat Association Meat Science Scholarship was established by the Southwest Meat Association. Recipients must be a sophomore, junior or senior pursuing a degree in animal science and showing an interest in the pursuit of a career in the meat and food sciences. Students must maintain a minimum 3.0 GPA.

B.A. and Jane Ann Stewart Dryland Agriculture Scholarship was established in 1994 to honor Stewart on his retirement from the USDA Agriculture Research Service Conservation and Production Research Laboratory at Bushland, Texas, and to provide scholarships for agriculture majors with demonstrated interest in dryland agriculture. Preference to graduate students with a minimum 3.0 GPA.

Ronald and Anne Thomason Scholarship was established by David and Mark Thomason in honor of their father and mother, Dr. Ronald Thomason and Anne Thomason. Recipient must be a full-time undergraduate student majoring in one of the disciplines offered by the Department of Agricultural Sciences. Entering freshmen with a high school 2.5 GPA will be eligible, and other undergraduate students must have a 3.0 GPA to be eligible. Preference shall be given to students that demonstrate leadership ability; renewable if criteria are met.

Dr. Ronald C. Thomason Plant Science Scholarship was established from an anonymous gift in honor of Dr. Ronald C. Thomason for his long years of service to WTAMU. This scholarship will be awarded to a full-time student majoring in agriculture with an emphasis in plant production. A 3.0 GPA or "B" average is desirable.

Rusty Tinnin/Bell Ranch Working Cowboy Scholarship was established in memory of Johnnie Dwayne (Rusty) Tinnin, who was born in Floydada, Texas, and dedicated his entire life to the ranching business in West Texas and Eastern New Mexico. Tinnin was a 1962 graduate of West Texas State College (WTAMU) with a degree in animal science. He was a member of Alpha Tau Omega fraternity and was very involved in various civic and business organizations. The recipient must be an agriculture major currently living or working on a working ranch or grew up on a working ranch. The student must maintain a 2.5 overall grade point average; renewable.

Floyd and "B" Tomlinson Scholarship was established in 1978 by the family of Floyd and "B" Tomlinson as a tribute to their contribution to the

Financial Aid and Scholarships

Canyon community and to Texas agriculture. The scholarship provides funds to students who wish to pursue a career in agriculture and is awarded based on scholarship, need and/or leadership.

Orrell Vise Memorial Scholarship was established in 1980 by family and friends in honor and memory of this exceptional man. It provides for one annual scholarship to an outstanding junior, senior or graduate student majoring in plant science.

Jack H. and Ruth Mary Whitson Scholarship was established in honor of Jack and Ruth Mary Whitson by their children. This scholarship will be awarded to a student who graduated from high school in Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hemphill, Roberts, Hutchinson, Moore or Hartley County. Recipient must be an entering freshman and have a "B" average or higher from their high school and may not be eligible for federal or state educational grants. Renewable if criteria are met.

Dr. Donald L. Williams Agriculture Scholarship was established by Williams, a native of White Deer, Texas, and graduate of WTAMU. Williams began teaching at WTAMU in 1973 and educated students from the Texas Panhandle and High Plains area for 34 years. In 1985, he began a student travel program which gave local agriculture students the opportunity to visit New York, Chicago and various European destinations. He is also the long-time adviser of the Agribusiness Club and coach of the Agribusiness Quiz Bowl Team. Recipient must be enrolled a minimum of 12 hours per semester, maintain a cumulative 2.2 GPA, be a student in the Department of Agricultural Sciences, and have graduated from a high school in the Texas Panhandle. Preference shall be given based on need, students majoring in agricultural business and economics, students involved in leadership activities on campus and in the community, and students working a minimum of 20 hours per week. This scholarship is renewable if criteria are met.

Department of Engineering and Computer Science

Amarillo Gear Company Scholarship was established in 2000 to encourage students pursuing engineering studies at WTAMU and to support growth of the program. The company continued its support and has increased the amount of the scholarship award over time. Recipients are junior or senior engineering technology or mechanical engineering majors who currently maintain a minimum 3.0 GPA.

Backyard Adventures Manufacturing Scholarship was established in 2002 by Backyard Adventures, this scholarship will benefit junior, senior and graduate student engineering technology majors. Applicants must maintain a 2.5 GPA or above and submit a one-page essay about their career objectives in manufacturing.

Engineering Scholarship was established to provide support to engineering students.

Mary Harris Clark Memorial Scholarship was established and endowed by Dr. Barry Clark in memory of his mother, Mary Harris Clark. Student is required to major in engineering.

Fred and Edith Haiduk Memorial Scholarship was established in 2007 by H. Paul Haiduk to honor his parents' innovation and leadership in agriculture, engineering and humanitarian causes. Fred and Edith Haiduk were strong supporters of higher education and were amazed at the contributions of computer science. The award is given to the outstanding freshman computer science student. Recipient must have completed six hours of computer science courses by the end of his or her freshman year with a 3.5 GPA overall and within computer science.

Robert D. Hollingsworth Scholarship in Engineering Technology was established by Robert D. Hollingsworth who received a national award from the American Association of State Highway and Transportation Officials for his innovative changes made to existing road equipment which helped to establish the scholarship. Recipients must be a graduate student in engineering technology, enrolled at least 12 hours of graduate engineering technology courses and maintain a 3.5 or above GPA.

Johnson Controls Scholarship Fund was established to provide scholarships to deserving students in engineering technology. Recipients must be a sophomore, junior or senior engineering technology major,

maintain full-time (12 or more hours per semester) enrollment status and an overall 2.75 GPA.

Keys & Shehan Engineering Scholarship was established 2007 by Keys & Shehan Engineering, L.L.C, a Texas limited liability partnership whose primary business is civil engineering design and planning in the state of Texas. They have been very supportive of the engineering program at WTAMU and continue to support and guide the growth of the program. Recipient must be enrolled a minimum of 12 hours per semester, be a civil engineering major and maintain a cumulative 3.0 GPA.

James S. Kone & Company Scholarships, established in 1991, offer a \$500 scholarship each semester to a junior, senior or graduate student majoring in engineering technology and having attended WTAMU for two semesters.

Mechanical Engineering Scholarship/Program Support was established by donations given by area businesses, foundations and friends of WTAMU. Endowment will provide the scholarship and support for program expenses.

James E. Moreland Scholarship Fund was established in 1981 by the Panhandle Chapter of the American Society of Safety Engineers in memory of Moreland. The scholarship will be awarded to an outstanding junior, senior or graduate engineering technology student seeking a career in the field of industrial safety.

Bill and Betty Semmelbeck Engineering Scholarship was established by Mr. and Mrs. William E. Semmelbeck to help students focus on engineering studies. Mr. Semmelbeck taught in the College of Business and retired with the rank of professor emeritus of business. Recipients must be majoring in pre-engineering, engineering tech or engineering, and based primarily on need.

Society of Manufacturing Engineers (SME) Scholarship was established in 1991 and is awarded to an engineering technology major who is a student member in SME. The \$200 scholarship is awarded in the spring semester.

Guyon Saunders Engineering Endowed Scholarship was established by Saunders, a longtime Amarillo community leader. Saunders is committed to improving the quality of life in Amarillo and the Texas Panhandle and recognized that education, especially engineering education, promotes that goal. Recipient must be an engineering major and maintain a minimum 2.80 GPA.

Donald F. Sopher Scholarship was established in 1974 by students, friends and associates of Sopher. Annual interest of the fund is awarded to a senior student majoring in engineering technology.

Ross Wilson Provost Leadership Scholarship in Engineering was established in 2007 from funds originally given by Wilson to establish the Ross Wilson Chair in Engineering or Chemistry. Recipient will be a full-time student majoring in engineering with a 3.0 GPA. The scholarship is renewable for up to four years when criteria are met.

Department of Life, Earth and Environmental Sciences

Dr. Lacy Caldwell Beckham and Joanne Beckham Memorial Scholarship provides a scholarship for junior and senior students planning a career in medicine.

Biology Activities Account provides scholarships to students enrolled in biology-related programs, as well as entering freshmen.

Dr. John S. Brantley Memorial Scholarship was established in 1999 by friends and family of Brantley to provide scholarships for premedical majors.

Robert C. and Ada Busteed Scholarship was established by relatives, friends and former students of Robert Busteed. No academic level restriction beyond current enrollment at WTAMU. Applicants must have a minimum 3.0 GPA on all work completed.

John B. and Mary O. Coleman Scholarship was established in 1993 to provide academic scholarships to students who have completed 30 or more

Financial Aid and Scholarships

semester hours, maintained a 2.2 GPA and major in pre-dentistry, pre-law, political science or criminal justice.

Cooper Crouse-Hinds Environmental Excellence Scholarship was established to provide a scholarship for a full-time (12 hours per semester) environmental science major in good standing with a cumulative 3.0 GPA.

C.J. Fowlston Geology Scholarship was established by friends of Fowlston in tribute to his long career in the oil and gas industry of the Texas Panhandle. The scholarship is awarded annually to a student pursuing a major in geology who is active in campus affairs.

Shawn Freytag Memorial Scholarship Endowment Fund was established by the Southwest Chapter of the American Business Club in Amarillo in memory of Freytag. Junior or senior students working toward a degree in pre-physical therapy may apply.

Geology Excellence Scholarship, established in 1968 by Dr. and Mrs. Franklin Daugherty, is awarded annually to a student(s) majoring in geology.

Dr. Thomas S. and Helen Gerald Scholarship, established by a gift from Dr. and Mrs. Gerald in 1993, is awarded to worthy and deserving full-time junior or senior students who maintain a minimum 3.0 GPA overall with preference to students majoring in pre-medicine or pre-dental.

Golden Spread Gem and Mineral Society Scholarship was established to provide a scholarship to a full-time undergraduate or graduate student involved in geology (preferably hard rock geology) will be considered. They do not have to be a geology major but interested in mineralogy.

Craig Ray Hamman Memorial Scholarship was established in 1992 by his family to provide a \$500 annual scholarship for a junior, senior or graduate student majoring in geology or related environmental discipline. Hamman was a 1991 WTAMU geology graduate.

Willis E. Harrison, D.D.S. Scholarship was established to provide scholarships for full-time (12 hours per semester) junior or senior pre-dental majors with a cumulative 3.2 GPA; financial need will be the primary consideration.

Jack T. Hughes Anthropology Fund was established to provide scholarship, research, travel and other expenses for junior, senior or graduate students majoring in environmental science with an interest in archaeology, anthropology or other cultural science.

Tom Kritser Memorial Scholarship Fund was started in May 1983 as a memorial to a rancher/conservationist and will be awarded to junior, senior or graduate students interested in wildlife/field biology sciences.

Dr. David Miller Memorial Scholarship was established in 2000 by friends and family of Miller to provide a scholarship for a pre-medicine major with a minimum 3.3 GPA of sophomore, junior or senior standing.

Dr. Robert and Dorothy Neblett Scholarship was established by family in honor of Neblett's long-time contributions to the area in the field of medicine. The scholarship will be awarded to junior or senior students majoring in pre-medicine.

John Phillip Notestine Geology Scholarship was established in 2002 by John and Gail Notestine in honor of their son, Phillip, B.S. 1984, to provide scholarships for returning junior or senior students majoring geology.

Panhandle Geological Society Endowment Scholarship Fund was established by gifts from the Panhandle Geological Society with scholarships awarded annually to geology and/or geophysics majors planning a career in geology or geophysics.

Ron Samuels/IHS Energy Scholarship was established by IHS Energy of Dallas to honor Ron Samuels, a retiring employee of IHS who worked in the energy industry for 40 plus years and a 1965 graduate of WTAMU. Recipient must be a freshman geology major.

Nathan Edward Sauer Memorial Scholarship was established in 1993 by Dr. and Mrs. C. Edward Sauer in memory of their son, and provides scholarships for pre-medical or pre-dental students from the northernmost 26 counties of the Texas Panhandle. Student must have completed 60 hours of college credit and have a 3.5 GPA overall or higher.

Talon/LPE Environmental Science Scholarship was established by Talon/LPE to encourage students interested in pursuing a degree in environmental science. The company operates across the region with offices in Amarillo, Midland, Austin, New Braunfels, Tulsa, Okla., and Hobbs, N.M. More than 25 percent of the company's workforce graduated from WTAMU. Recipient must be an undergraduate or graduate student majoring in environmental science and enrolled a minimum of 12 hours per semester with a minimum "B" equivalent grade point average, based primarily on need.

Department of Mathematics, Chemistry and Physics

AMI Industrial Machining Scholarship was established in 1991 by Eddie Hamilton, a graduate of the engineering technology department. The \$250 scholarship is awarded in the spring semester to an engineering technology major.

Patrick J. Acker Memorial Scholarships are provided from earnings of an endowment fund established for students majoring in physics and/or alternative energy.

Alternative Energy Institute Scholarship Fund was established to award scholarships to students interested or working in an area of alternative energy.

Alumni-Faculty Math and Physical Science Endowment was established in 1986 from initial funds donated by mathematics and physical sciences faculty and has since been increased by donations from alumni. Earnings from this fund provide scholarships for students majoring in chemistry, mathematics and physics.

Robert E. Barieau Research Endowment Fund was established in 1986 by Barieau. Earnings from this fund provide scholarships for students majoring in chemistry, mathematics, physics and alternative energy.

Dr. Howard Andrew Chamblin Memorial Physics Scholarship was established by Ed and Caroline Chamblin in honor of their son, Howard Andrew Chamblin. Dr. Chamblin earned a degree in mathematics from Rice University and his Ph.D. in theoretical physics from Cambridge University. He was a highly accomplished scholar, and his work was regarded to be among the best in the field. Recipients must be physics majors, enrolled in a physics course each semester and maintain at least a 3.0 GPA.

E.R. "Dutch" and Odessie Cleavinger Award was established in 1995 to provide two math awards annually—one to an outstanding math education major and one to an outstanding junior math major.

Hollis L. Cook Scholarship was established by friends and family of Cook, retired professor of mathematics and department head at WTAMU. It is awarded to the outstanding second-year graduate student in mathematics each year, as determined by the mathematics faculty.

Farmers Insurance Group of Companies Scholarship was established to provide tuition scholarships for students majoring in the fields of insurance, mathematics, business administration, personnel and other areas related to the insurance industry.

Edna Graham Mathematics Scholarship—Freshman Mathematics Scholarship is given to a WTAMU freshman mathematics major enrolled in at least four hours of mathematics each semester during the freshman year. Continuation of the scholarship requires a minimum 3.0 GPA in mathematics courses. Students receiving this scholarship are eligible for continuation of this scholarship in subsequent years on the basis of outstanding performance in mathematics courses, as judged by the mathematics faculty.

Edna Graham Mathematics Scholarship—Senior Mathematics Award provides scholarships each year. The award is given to a WTAMU senior mathematics major with at least 24 hours of mathematics. In considering students of equal rank, preference will be given to the student with the most hours in mathematics; at least 30 hours of work must be earned at WTAMU before the student may be considered for the award.

Rose T. Hall Math Education Scholarship was established in 1998 to honor Hall and to provide a scholarship annually to a full-time junior or senior student majoring in math education.

Financial Aid and Scholarships

Fletcher Moseley Memorial Scholarship Fund was established to honor Moseley, outstanding math instructor at West Texas State. The recipient must maintain an overall 3.0 GPA for all course work in the Department of Mathematics, Chemistry and Physics. The student must be an underclassman who shows outstanding achievement in the field of abstract and/or linear algebra.

C.A. Murray Mathematics Scholarship Fund, established in 1970 by Mr. and Mrs. Murray, provides an award for the outstanding female, undergraduate mathematics major each year, as determined by the mathematics faculty.

Douglass Alfred Shirley Scholarship was established in 1995 to honor the memory of Shirley, past WTAMU dean, and to provide scholarships to junior or senior physics major who has a minimum 3.0 GPA.

Steve W. Steffey Memorial Scholarship was established in 2000 by friends and family of Steffey to honor him and to provide a scholarship to a WTAMU student, preferably a chemistry major, with a minimum 2.5 GPA and enrolled in a minimum of 12 semester hours.

Ross W. Wilson Provost Leadership Scholarship in Chemistry was established in 2007 from funds originally given by Wilson to establish the Ross Wilson Chair in Engineering or Chemistry. Recipient will be a full-time student majoring in chemistry with a 3.0 GPA. The scholarship is renewable for up to four years when criteria are met.

College of Business

Amarillo Executive Association Scholarship was established by the Amarillo Executive Association, an association of business owners and representatives in Amarillo. The association's members, past and present, have provided invaluable leadership guidance to the community. The scholarship was established to encourage and support students seeking a degree from WTAMU so that they might carry on the tradition of leadership. Recipient must be an undergraduate or graduate student majoring in business, enrolled a minimum of 12 hours per semester with a minimum 3.0 GPA. The scholarship is renewable when criteria are met.

Business Education Scholarship was established to provide scholarships to outstanding undergraduate and graduate business education majors with preference to resident undergraduate students; merit will be considered.

D. Edward Davis College of Business Scholarship was established by friends and family of Davis to honor his memory. Davis was revered as a man of integrity who believed in developing our area and investing in its future. He viewed education as a critical investment for the future viability of our area, and this scholarship carries on his legacy of caring about individuals and the community. Recipient must be a sophomore, junior, senior or graduate College of Business major enrolled full-time and must maintain a cumulative 3.0 GPA. Preference will be given based on need.

Gene Edwards Scholarship was established in 1999 to honor the CEO/president of First National Bank upon his retirement and provides assistance to students seeking a career in banking or finance.

J.W. and Nell Foust Alumni Association Scholarship was established by the WTAMU Alumni Association, friends of the Fousts, and the Foust family in memory of J.W. Foust and in honor of Nell Foust. Student in business must have 60 semester hours and 3.0 GPA or above.

Wayne and Patsy Fox Scholarship was established in 2005 to present higher-education opportunities for students in need. Recipient will be a full-time (12 hours per semester) student majoring in business with a minimum "B" equivalent grade point average.
