      VIII. A junior faculty member was told that because they are at WTAMU, they cannot have a status of outstanding in service. What is the meaning of “outstanding”? What type or recourse would a faculty have? Maybe talk to the ombudsperson? Should the faculty senate propose that the faculty member be able to modify their percentages as the year goes by? Nothing states that they cannot do that. Sometimes some activities would cross all three areas.
e. Representative on VHAC Advisory committee

   f. Other? None

      c. QEP is experiential learning. Give faculty some buy-in in the annual review.
      d. Do we want to propose a change in the ARFP to reflect this buy-in?
      e. Should that be reflected on the transcript?
