

# **REPEATED COURSES (3<sup>rd</sup> Repeat)**

General Appropriations Act from Section 50 of HB 1

Students are charged a fee for any course attempted for a third or subsequent time at WTAMU other than a non-degree credit developmental course. Courses exempted from the fee are as follows:

- Thesis and dissertation courses;
- Courses that may be repeated for credit because they involve different or more advanced content each time they are taken, including but not limited to, individual music lessons, theater practicum, music performance, ensembles, certain physical education and kinesiology courses and studio art;
- Independent study courses, except when the independent study course has the same content as a course the student has already taken two or more times;
- Special topics courses that may be repeated for credit with different content, except when a special topics course has the same content as a course the student has already taken two or more times;
- Continuing education courses that must be repeated to retain professional certification.

The counting period for repeat courses at WTAMU begins with the Fall 2002 semester. Thus, repeated courses for consideration are attempted courses which appear on a student's WTAMU transcript with a grade or an "X" or "XF" from September 1, 2002, to the present and which do not meet the exemptions as stated above (per the guidelines from the Texas Higher Education Coordinating Board).
