#### **Texas Private High School Certification**

# TEXAS Grant Admission to a Texas Public University Top 10 Percent Scholarship

UPDATED 06/2014 - EFFECTIVE FALL 2013

Certification of Course Completion Equivalent
for students who entered Grade 9 in and did not complete IPC prior to 2010-2011

#### **BACKGROUND INFORMATION**

The Texas Legislature established new requirements for student eligibility for admission to any Texas public university under the Uniform Admissions Policy (Texas Education Code §§51.803-51.809). House Bill 3826 (80<sup>th</sup> Legislature) requires that all students complete at least the Recommended High School Program (RHSP) in order to be eligible for consideration for admission to a public university. However, a student of a Texas private high school may qualify for admission to a Texas public university having completed a portion of the RHSP or Distinguished Achievement Program (also known as the Advanced High School Program) equivalent in content or rigor or by meeting other qualifications. These changes became effective on May 30, 2012.

In 2009 and 2011, the Texas Legislature made additional curriculum changes to the RHSP which impact eligibility requirements for students entering the ninth grade in the 2007-2008 school year or later. As a result, three different forms are available for use in certifying a student's eligibility. This form should be used ONLY FOR STUDENTS WHO DID NOT COMPLETE IPC (Integrated Physics and Chemistry) PRIOR TO THE 2010-2011 SCHOOL YEAR; TPHSC Form-2 should be used ONLY FOR STUDENTS WHO COMPLETED IPC PRIOR TO THE 2010-2011 SCHOOL YEAR; and TPHSC FORM-3 SHOULD BE USED FOR STUDENTS GRADUATING UNDER THE FOUNDATION HIGH SCHOOL PROGRAM IN THE 2014-2015 SCHOOL YEAR OR LATER.

#### **ELIGIBILITY FOR ADMISSION TO ANY TEXAS PUBLIC UNIVERSITY**

A student scheduled to graduate from a Texas private high school may be considered for admission to a Texas public university if the student has completed the Minimum, Recommended High School Program, or its equivalent, the Distinguished Achievement Program (also known as the Advanced High School Program), or its equivalent, or has achieved college readiness scores on the ACT or SAT entrance exams. Students of Texas private high schools who have completed only a portion of the Minimum, Recommended or Distinguished Achievement Program because the courses are not available to the student may still be eligible for admission to a Texas public university.

#### **ELIGIBILITY FOR TEXAS GRANT PROGRAM**

A student scheduled to graduate from a Texas private high school may qualify for the TEXAS grant program only if the student completes the Recommended or Distinguished Achievement Program, or its equivalent.

#### **ELIGIBILITY FOR THE TOP 10 PERCENT SCHOLARSHIP PROGRAM**

A student scheduled to graduate from a Texas private high school may be considered for a Top 10 Percent Scholarship if the student has completed the Recommended High School Program, or its equivalent, the Distinguished Achievement Program (also known as the Advanced High School Program), or its equivalent. Students of Texas private high schools who have completed only a portion of the Recommended or Distinguished Achievement Program because the courses are not available to the student may still be eligible for the Top 10 Percent Scholarship.

# COMPLETION AND SUBMISSION INSTRUCTIONS FOR TPHSC FORM-1

The table on page 3-4 is for informational purposes only. Private high schools must submit the appropriate certification statement to the Texas public university admissions office and/or the financial aid office. Please note that final decisions about admissions, the TEXAS Grant, or the Top 10 Percent Scholarship are solely the responsibility of the university to which the student is applying.

For eligibility determination for the **TEXAS Grant**, the private high school should submit the completed certification to the <u>admissions office and the financial aid office</u> of the public institution to which the student is seeking admission by the institution's financial aid deadline.

IMPORTANT NOTICE: The financial aid office of a Texas public university will not consider a student eligible for a TEXAS Grant without this completed certification.
