- ◆ A minimum of 42 hours from the core curriculum is required. Some majors specify particular courses to meet core-curriculum requirements when options are available. Ideally, these courses should be taken during the first two years of enrollment.
- * Indicates prerequisites—see catalog for more information. ** While MATH 1332 will fulfill core math requirements it will NOT prepare students
- for math beyond MATH 1332 such as Plane Trigonometry (MATH 1316), Pre-Calculus (MATH 2412), etc.

 *** Or an equivalent course (second year, second semester) in French or German.
- **** Second field may be added after initial certification in SES and upon completion
- of TEXES test.
 ***** Additional B.S. hours are not required if second field is Life Science, Mathematics, Physical Science or Science.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of 60 semester hours in any single discipline, six hours in religion (RELI) and six hours in physical education (PHED) can be counted toward a degree.

Note: This is NOT a degree plan. Before completion of 45 hours, students are allowed and encouraged to request an official degree plan in the office of the dean of the College of Nursing and Health Sciences, located in Old Main, Room 402 (or call 806-651-3500). After completing 60 hours, students will not be allowed to progress without requesting a degree plan.
