MINIMUM HOURS REQUIRED FOR A DEGREE	120		

♦ A minimum of 42 hours from the core curriculum is required. Some majors specify particular courses to meet core-curriculum requirements when options are available. Ideally, these courses should be taken during the first two years of enrollment.
 * Indicates prerequisites—see catalog for more information.
 ** While MATH 1332 will fulfill core math requirements, it will NOT prepare students for math beyond MATH 1332 such as Plane Trigonometry (MATH 1316), Pre-Calculus (MATH 2412), etc.
 *** Or an equivalent course (second year, second semester) in French or German.
 NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of 60 semester hours in theatre, six hours in religion and six hours in physical education (PHED) can be counted toward a degree.

Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan in the office of the appropriate dean (depending on which major is chosen). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan. If you have questions, please contact Advising Services, located in the Classroom Center, Room 110, or call 651-5300.
