 ☐ To gain admittance to the College of Business, students must successfully complete prebusiness core courses with a grade of "C" or higher. Students seeking admission that have
completed 48 or more credit hours in a different major or as a transfer student may be
admitted to the business program with approval by dean or associate dean. (See catalog or
Pre-Business checklist for more details.)

- ◆ The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available. PB Pre-business requirements are: ACCT 2301; ECON 2301; ECON 2302; MATH 1325 or MATH 2413 (or equivalent); BUSI 1304, CIDM 1301, 1315, 2345 or FIN 1307 (or advisor approved Core 90 equivalent); ENGL 1301; and COMM 1321 (or advisor approved equivalent) or ENGL1302 or 2311.
- \* Indicates prerequisites—see catalog for more information.
- \*\* Or an equivalent course (second year, second semester) in a foreign language.
  \*\*\* Preferred.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan in the office of the dean of the College of Business, located in the Classroom Center, Room 216 (or call 806-651-2526). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.
