MAJOR REQUIREMENTS (as required for selected major): 24-36 HRS					
Majors:	3				
ELECTIVES: 0-15 HOURS ♦					
ELECTIVES: The number of free elective hours varies according to major. Selecting a specific major before taking free electives is recommended.	0-15				
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE	120-1				

« Once students are admitted to West Texas A&M University, they can gain admittance to the College of Business by satisfactorily completing a set of pre-admission courses. Through its admission policies and procedures, the College of Business is able to help students succeed in specific business major concentrations by only admitting those students who are qualified and have basic skill to complete a business degree.

Admission requirements into the College of Business involve the completion of a pre-business core with an earned grade of "C" or higher in all courses.

Upon completion of the pre-business core, students should meet with an academic advisor in the College of Business, select a specific business major concentration area (e.g., accounting, economics, finance, marketing, management, general business, or computer information systems), apply for a degree plan, and register with the Office of Career Services. Students seeking admission to the business program that have completed 48 or more credit hours in a different major or as a transfer student may be admitted to the business program with approval by dean or associate dean. New students in the top ten percent of an admission class may be admitted directly into the business program by invitation of the associate dean.

◆ The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

PB Pre-business requirements are: ACCT 2301; ECON 2301; ECON 2302; MATH 1325 or MATH 2413 (or equivalent); BUSI 1304, CIDM 1301, 1315, 2345 or FIN 1307 (or advisor approved Core 90 equivalent); ENGL 1301; and COMM 1321 (or advisor approved equivalent) or ENGL 1302 or 2311.

- Indicates prerequisites—see catalog for more information.
- ** Or an equivalent course (second year, second semester) in a foreign language.

*** Preferred.
