|  | OPTION     |  |
|  |            |  |
| ELECTIVES: 12 HOURS +  |            |  |
| ELECTIVES (ANY LEVEL) 12   |            |  |
| MINIMUM HOURS REQUIRED TO COMPLETE DEGREE 120  |            |  |

• NOTE: The core curriculum must total exactly 42 hours; excess hours must be moved to the major as an elective or a major requirement and stay within the 120hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

\* Indicates prerequisites—see catalog for more information.

\*\* While MATH 1332 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).
 \*\*\* Or an equivalent course (second year, second semester) in a foreign language.

† It is possible to take only three hours of internship. See department adviser about possible substitutions if needed.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion (RELI) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan by using the online Request for a Degree Plan form. If unable to use the online form, students can also submit a request in Old Main, Room 415 (or call 806-651-2668). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.

Advising Services 2015 - 2016 Curriculum Guide OM 414 651-3310 Degree Plan Total Hours: 120

Major Code: 835

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 45 hours. Students should always seek the advice of their academic adviser before scheduling classes.

Notes:

\* See checklist for options. Core 90: Lab hours for 4-hour Core 30 (science) courses and extra hour from 4-hour Core 20 (math) courses must be counted in Core 90. \*\* Choose a course from CRIJ 3322, CRIJ 3374, CRIJ 4324, CRIJ 4326 or SOCI 4342.
