Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.

DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 45 hours. Students should always seek the advice of their academic adviser before scheduling classes.

Students must take 18 hours in each of two social sciences (anthropology, economics, geography, history, political science, psychology and sociology). Also take 9 hours in each of two additional social sciences. These are in addition to courses used to satisfy core curriculum requirements.

* See checklist for options. **Core 90:** Lab hours for 4-hour Core 30 (science) courses and extra hour from 4-hour Core 20 (math) courses must be counted in Core 90.
