NOTE: This is a list of the required courses for admission to the WTAMU Nursing Program. Upon completion of the WTAMU Pre-Nursing admission requirements, there is a second, competitive application process to be admitted to the BSN program. Students should complete or be enrolled in the last six or fewer Pre-Nursing courses when applying. **For more information please contact Department of Nursing Admissions Counselor at 806-651-2693.**

A basic or transfer student who is <u>not</u> enrolled in courses in one of the four official nursing semesters (Junior I, Junior II, Senior I, and Senior II) is considered to be a Pre-Nursing major, Code 700. When a student is admitted to the WTAMU BSN program and begins Junior I nursing courses, the major code is changed to Code 701, unless the student is a registered LVN, in which case the major is changed to 713.
