

WTAMU Experiential Education Program Summer 2016 Executive Summary

The Experiential Education program (formerly Cooperative Education) began in the spring of 1994. A Title VIII Department of Education grant started the program, and we placed the first students in the spring of 1994. Our vital statistics to date include:

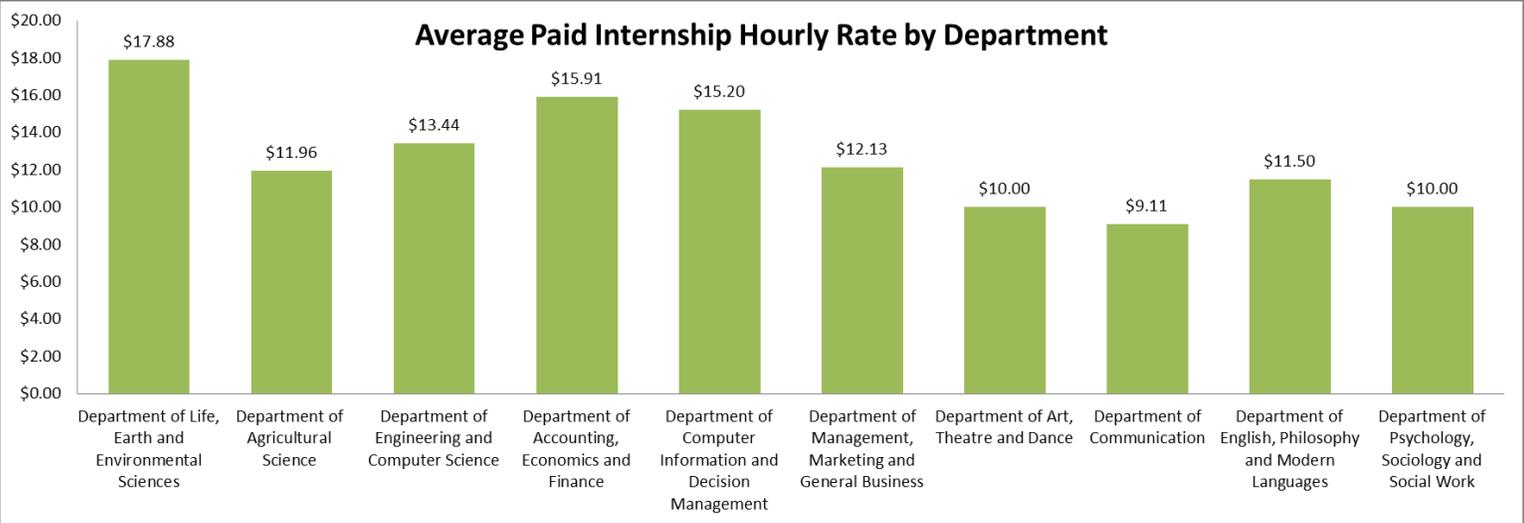

- Monitored or documented 3020 individual placements to date (178 in Summer 2016)
- Placed or documented 1,922 students in internships (unduplicated count)
- Average GPA of the Summer 2016 class – 3.16
- Average wage for paid internships for the Summer 2016 class - \$12.94 per hour
- Total dollars earned by the Summer 2016 class - \$460,300
- Total dollars earned by all internship students to date - \$11,433,425

For the academic year, the Experiential Education & Career Services program helped 2,439 students through both online and in-person résumé workshops. Additionally, our counselors have provided career counseling to 153 students. This counseling and guidance helps students determine their best career path.

Summer 2016 Interns

Out of the 178 interns, 5% got full-time positions, 1% are going to graduate school, 2% are seeking full-time and 92% are continuing in their internship or seeking another internship and/or pursuing their degree.

Internships continue to be an effective way for students to gain major-related experience and in many cases, a professional position upon graduation!
