

WTAMU Experiential Education Program Summer 2017 Executive Summary

The Experiential Education program (formerly Cooperative Education) began in the spring of 1994. A Title VIII Department of Education grant started the program, and we placed the first students in the spring of 1994. Our vital statistics to date include:

- Monitored or documented 3,663 individual placements to date (208 in Summer 2017)
- Placed or documented 2,472 students in internships (unduplicated count)
- Average GPA of the Summer 2017 class – 3.10
- Average wage for paid internships for the Summer 2017 class - \$15.54 per hour
- Total dollars earned by the Summer 2017 class - \$516,402
- Total dollars earned by all internship students to date - \$12,448,099

For the academic year to date, the Experiential Education & Career Services program helped 1,591 students through both online and in-person résumé workshops. Additionally, our counselors have provided career counseling to 155 students. This counseling and guidance helps students determine their best career path.

What Did You Like The Most? What Was Most Valuable?

“I think the most valuable was being part of a team and getting to participate in a professional environment. This gave me insight to what I should expect when I graduate.”

*Goldstar Trust Company
Canyon, TX*

“The most valuable experience in this internship was getting to know applications that are useful in the accounting world, such as Quickbooks. Along with this, another valuable thing I gain was extending my networking group. Knowing a greater amount of people in the accounting field opens doors for new and exciting experiences.”

*Daisy Maciel
Accounting major*

*Lovelady, Christy & Assoc. PLLC
Amarillo, TX*

"The work environment and the freedom to express your thoughts and ideas."

*Lawal Aliu (first from left)
